**FOR IMMEDIATE RELEASE  
APRIL 21, 2021**

### **PUBLIC MEETING THURSDAY (APRIL 22) ON GRANDVIEW PROJECT**

*Virtual meeting to be held along with in person meeting with project overview presented*

**MUSCATINE, Iowa** – The two-year Grandview Avenue Reconstruction Project is expected to begin as early as next week, and the City of Muscatine will host a public meeting from 5-6 p.m. Thursday, April 22, 2021. An in-person meeting and a virtual meeting will be offered.

A limited number of attendees will be admitted to the in-person meeting that will be held in the third floor meeting room at Musser Public Library and HNI Community Center. A virtual meeting will be offered and will be monitored so those logging into the virtual session will be able to ask questions by using the chat feature. Details of joining the virtual meeting are listed below.

Heuer Construction, Inc., was awarded the \$7.74 million contract for the two-year Grandview Avenue Reconstruction Project during the April 1 City Council meeting. The project will remove and replace the pavement from Main Street to approximately 200 yards past Houser Street while adding sidewalks and additional streetscaping to provide a much more inviting corridor of travel for vehicles and for pedestrians.

The goals of the project are to modernize Grandview Avenue, provide a safe and attractive corridor, improve pavement and utility infrastructure, and enhance the walkability of the Grandview Avenue corridor with enhanced pedestrian opportunities and the incorporation of “green infrastructure”.

---

The first year of the two-year project will focus on Main Street to Musser Street.

Bolton & Menk were the design consultants. An amended contract was approved by City Council Thursday (April 15) to have the consultants assist with construction phase services including observation and administration of construction activities since Iowa DOT Construction Project Management and Inspection processes must be followed as the project is partially funded by Iowa DOT funds.

Additional information on the project can be found on the City of Muscatine web site at [Grandview Avenue Revitalization](#).

Details of joining the virtual meeting are listed below.

**Grandview Avenue Project Public Meeting  
Thu, Apr 22, 2021 5:00 PM - 6:30 PM (CDT)**

Join the meeting from your computer, laptop tablet or smartphone by clicking on the following link: <https://global.gotomeeting.com/join/680835821>

You can also dial in using your phone by dialing [+1 \(571\) 317-3122](tel:+15713173122) and using access code: 680-835-821

If you are new to GoToMeeting, you can download the app now and be ready when the meeting starts by going to: <https://global.gotomeeting.com/install/680835821>

---

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.
