COUNCIL TO REVIEW PROPOSED CHANGE IN CITY CODE

Update proposed on how City Code regulates nuisance vehicles

MUSCATINE, Iowa – The Muscatine City Council will hear about a proposed change on how City Code regulates nuisance vehicles and receive an update on the Muscatine Organic Recycling Center during its Thursday (Feb. 11, 2021) in-depth session.

Council members wrapped up budget review sessions with City staff on Tuesday, which was a little ahead of schedule. The proposed budget will be updated with the revisions proposed by Council members and presented for public discussion and approval during the March City Council meetings.

All budget review sessions are available on the City of Muscatine [YouTube channel](#) with the proposed budgets available for view on the [Finance](#) page of the City of Muscatine website.

The Muscatine City Council will meet virtually for their in-depth session starting at 7 p.m. Thursday. Information on joining the session and how to make a comment during the meeting is listed below.

The session will also be broadcast live on the City of Muscatine [YouTube channel](#) and on Muscatine Power & Water Cable Channel 2.

City staff continues their effort to improve City Code with the intent of making the code easier to understand and easier to enforce. The proposed change that will be discussed before Council Thursday pertains to nuisance vehicles including both junked and unregistered vehicles and adds clarity to Chapter 3 of Title 9 of City Code. The proposed revisions are attached to the Council's agenda.
