**FOR IMMEDIATE RELEASE
FEBRUARY 25, 2022**

GRANDVIEW RECONSTRUCTION PROJECT RESUMES ON MONDAY

Work on Musser to Houser (Phase II) set to begin Feb. 28 with milling of the roadway

MUSCATINE, Iowa – Construction activity will return to the Grandview Avenue corridor Monday (Feb. 28) as Heuer Construction begins milling the pavement from Houser to Musser streets, weather permitting.

Two-way traffic will be maintained during the milling process, and the roadway will be rough with drivers urged to slow down, use caution when travelling through the construction zone, and find alternate routes when possible.

One of the major construction events for Phase II of the project will be the replacement of a culvert at Briar's Ditch that will necessitate a full closure of Grandview Avenue from Briar's Ditch to Musser Street. Traffic will be detoured at Houser to Musser and back to Grandview, or Sampson to Stewart Road/Oregon and back to Grandview during the full closure.

The full closure is tentatively planned to begin Wednesday (March 2) and last for approximately three weeks.

PRESS RELEASE

215 SYCAMORE STREET
MUSCATINE, IA 52761
PH. (563) 264-1550

Access to all businesses in the construction zone will be maintained either from Musser or from Houser.

Additional information on the project can be found on the City of Muscatine web site at [Grandview Avenue Revitalization](#).

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.

For more information on City of Muscatine construction projects click on [CONSTRUCTION](#) to visit the Department of Public Works Construction Projects page.

If you have a comment or concern, please email feedback@muscatineiowa.gov or pwrequest@muscatineiowa.gov. A staff member will respond within 24 hours.
