SECTION OF GRANDVIEW AVENUE TO BE CLOSED MARCH 2

Traffic detoured as underground work begins from Briars Ditch to Musser Street

MUSCATINE, Iowa – Grandview Avenue will be closed to traffic from Briars Ditch (north of the entrance to the Rose Bowl) to just south of the Musser Street intersection starting Wednesday, March 2.

The closure will allow the replacement of a culvert at Briars Ditch and additional underground work including the installation of sewer and water main. The closure is expected to last at least three weeks depending on the weather.

Access to all businesses located within that area will be maintained, if possible, from either the Musser Street intersection or the Houser Street intersection. Traffic will be detoured at Houser onto Sampson Street to Steward Road/Oregon Street and back to Grandview Avenue. (See [DETOUR](#) map).

The second year of the two-year Grandview Avenue Reconstruction Project opened on Monday with milling of Grandview Avenue from Houser Street to Musser Street. Drivers are reminded

PRESS RELEASE

that the milled pavement will be rough. Drivers are urged to slow down and use caution when travelling through the construction zone, and find alternate routes when possible.

Additional information on the project can be found on the City of Muscatine web site at [Grandview Avenue Revitalization](#).

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.

For more information on City of Muscatine construction projects click on [CONSTRUCTION](#) to visit the Department of Public Works Construction Projects page.

If you have a comment or concern, please email feedback@muscatineiowa.gov or pwrequest@muscatineiowa.gov. A staff member will respond within 24 hours.
