The City Council recently completed the budget review process for the fiscal year 2022/2023 budget. As part of that review, revised estimate revenue and expenditure amounts for the current year (2021/2022) were also reviewed by City Council. Each year, these revised estimate amounts become Amendment #1 to the current year budget. A Public Hearing must be held prior to the Council considering the resolution to adopt Amendment 1.

The Council will also be asked to set a public hearing on a proposed ordinance that would strike Title 6, Chapter 9 of the City Code of Muscatine regarding the keeping of pit bulls. This is the first step of the process. The public hearing would be held on April 7.

Several other public hearings will be set by Council Thursday including five more on April 7 concerning an ordinance establishing vacant and non-residential property maintenance regulations, the use of Community Development Block Grant Funds for a Community Needs Assessment, the plans, specifications, and form of contract for the Tipping Floor Resurfacing Project at the Muscatine Transfer Station, on an ordinance change to allow residency outside of Iowa for Civil Service covered employees, and on the plans and specifications to widen a portion of the taxi lane at the Muscatine Municipal Airport.

The Council will be asked to schedule three public hearings on April 21 including one on an ordinance regulating cargo containers in residential areas, one on an ordinance revising weed and vegetation management regulations, on the 2023 Consolidated Funding Application for MuscaBus.

Thursday's City Council meeting is open to the public. Citizens who do not want to attend the in-person meeting can watch and/or participate through the GoToMeeting virtual meeting portal.
