CEDAR AND EAST 2ND INTERSECTION TO BE CLOSED JUNE 6-10

MUSCATINE, Iowa – The intersection of East 2nd and Cedar streets will be closed for approximately one week according to the Muscatine Department of Public Works. The closure is expected to begin at 7 a.m. Monday (June 6) and continue through the end of the day on Friday (June 10), weather permitting.

Two crosswalks will be removed and replaced as part of the punch list for the recent 2nd Street Streetscape Project. One of the crosswalks cuts across the 300 block of East 2nd Street while the other crosswalk cuts across the 200 block of Cedar.

KE Flatwork, Inc., will be removing the pavers from the two crosswalks on Monday with Eastern Iowa Landscaping replacing the brick pavers starting Tuesday.

Access to all businesses in the affected blocks will be maintained. However, through traffic should detour to either Mississippi Drive or 3rd Street using either Sycamore or Walnut streets.
