**FOR IMMEDIATE RELEASE
NOVEMBER 15, 2022**

FRONT PORCH OF CITY HALL TO BE CLOSED NOV. 21

Entrance moved to east side of building as work begins to replace concrete deck

MUSCATINE, Iowa – The main entrance to Muscatine City Hall as well as the lower-level main entrance will be closed starting Monday (Nov. 21) as work begins to replace the concrete porch deck. The schedule for the work is weather dependent.

The temporary entrance to City Hall will be located on the east side of the building. The alley on the east side will be closed to traffic starting Thursday (Nov. 17) as a handicap accessible ramp will be constructed.

The porch deck of the century-old building has been deteriorating necessitating the repairs. Construction crews will be on site starting Monday to carefully cut away and remove the concrete deck. A new deck will be poured in place later sometime after Thanksgiving.

Signage will be placed to guide individuals to the temporary entrance. Access to the elevators, department offices, and City Council chambers will be through this entrance. If you have problems or need assistance entering City Hall please call 563-264-1550.
