Randy,

We are planning on shutting down E 2nd St. at the 600 block starting the morning of April 18, 2016 and the road would reopen on April 22, 2016. The same road sign plan will be in place as the previous road closure. Please let me know if I need to send that information to you again or if you have it on file from the last time.

Best Regards,

Joe Williams
