

MUSCATINE POLICE DEPARTMENT

MEMORANDUM

TO: Gregg Mandsager, City Administrator

FROM: Brett Talkington, Chief of Police

SUBJECT: City Council Agenda Item declaring certain property surplus

DATE: 10-13-2016

INTRODUCTION:

The police Department would like to declare three of our old/retired squad light bars to be declared surplus property. These three light bars were replaced with new light bars and installed on our newer squads.

BACKGROUND:

These were purchased approx. 4-6 years ago and were taken off a couple of our older squad cars that are no longer in service.

RECOMMENDATION/RATIONALE:

The police department has no further use for these three light bars, having replaced them with three newer more efficient light bars. If approved, it is the police department's intention to sell two (2) of the light bars to another government agency (Muscatine County Sheriff's Department.) The remaining light bar will be purchased by the Letts Volunteer Fire Department in the near future. The police department believes that a fair price for the light bars is \$300 a piece.
