RE: Request to Purchase Street Sweeper

INTRODUCTION:

Roadway Maintenance staff received two bids for a Three-Wheel Mechanical Street Sweeper to sweep our City Streets.

BACKGROUND:

Public Works owns two sweepers to sweep all city streets several times during the calendar year. The new sweeper is needed to replace a 2000 model sweeper that has outlived its useful life.

City staff received bids from two vendors for the sweeper with only one bid meeting the specifications. The bid list is included below:

Trans Iowa Equipment	\$197,000
Elliot Equipment	Did not meet specs

RECOMMENDATION/RATIONALE:

The Public Works staff recommends approval of the purchase of the street sweeper from Trans Iowa Equipment in the amount of \$197,000.00. This expense is under the budgeted amount of \$226,000.00 for this purchase.
